

# Caswell County Horticulture Club

## Yanceyville, NC

*Preservation*

*Education*

*Beautification*

*Restoration*

[www.caswelhorticultureclub.org](http://www.caswelhorticultureclub.org).

Being a member of the Caswell Horticulture Club means being involved in the community and making a very visible contribution to the appearance and stability of the Yanceyville Historic District. Since its organization in 1997, the CHC has designed, planted and maintained the gardens in the Courthouse Square, the Fallen Officers Garden and those around the Courthouse. The Club also decorates the Courthouse every December prior to the Christmas Parade. Social events for members take place twice a year and are well attended. Meetings/events are held monthly usually during the day on the third Thursday. While participating in the maintenance of the various areas you will learn a lot from the members who are very knowledgeable and willing to share their expertise and skills.

### *Membership*

*Club membership dues are \$25.00/year.*

If you would like to join, Please fill out the CHC membership form below. Once complete, please mail this form along with a check to: **Margaret Gurley, 619 Hyco Hills Road, Semora, NC 27343**
