Being a member of the Caswell Horticulture Club means being involved in the community and making a very visible contribution to the appearance and stability of the Yanceyville Historic District. Since its organization in 1997, the CHC has designed, planted , and maintained the gardens in the Courthouse Square, the Fallen Officers Garden, the Memorial and Veteran’s Walkways, the Arboretum , and those around the Courthouse. Social events take place twice a year and are well attended. Meetings/events are held monthly, usually during the day on the third Thursday. While Participating in the maintenance of the various areas, you will learn a lot from the members who are very knowledgeable and willing to share their expertise in plant identification and management.
